DEDICATION

Mrs. Campbell

Mr. Stamps

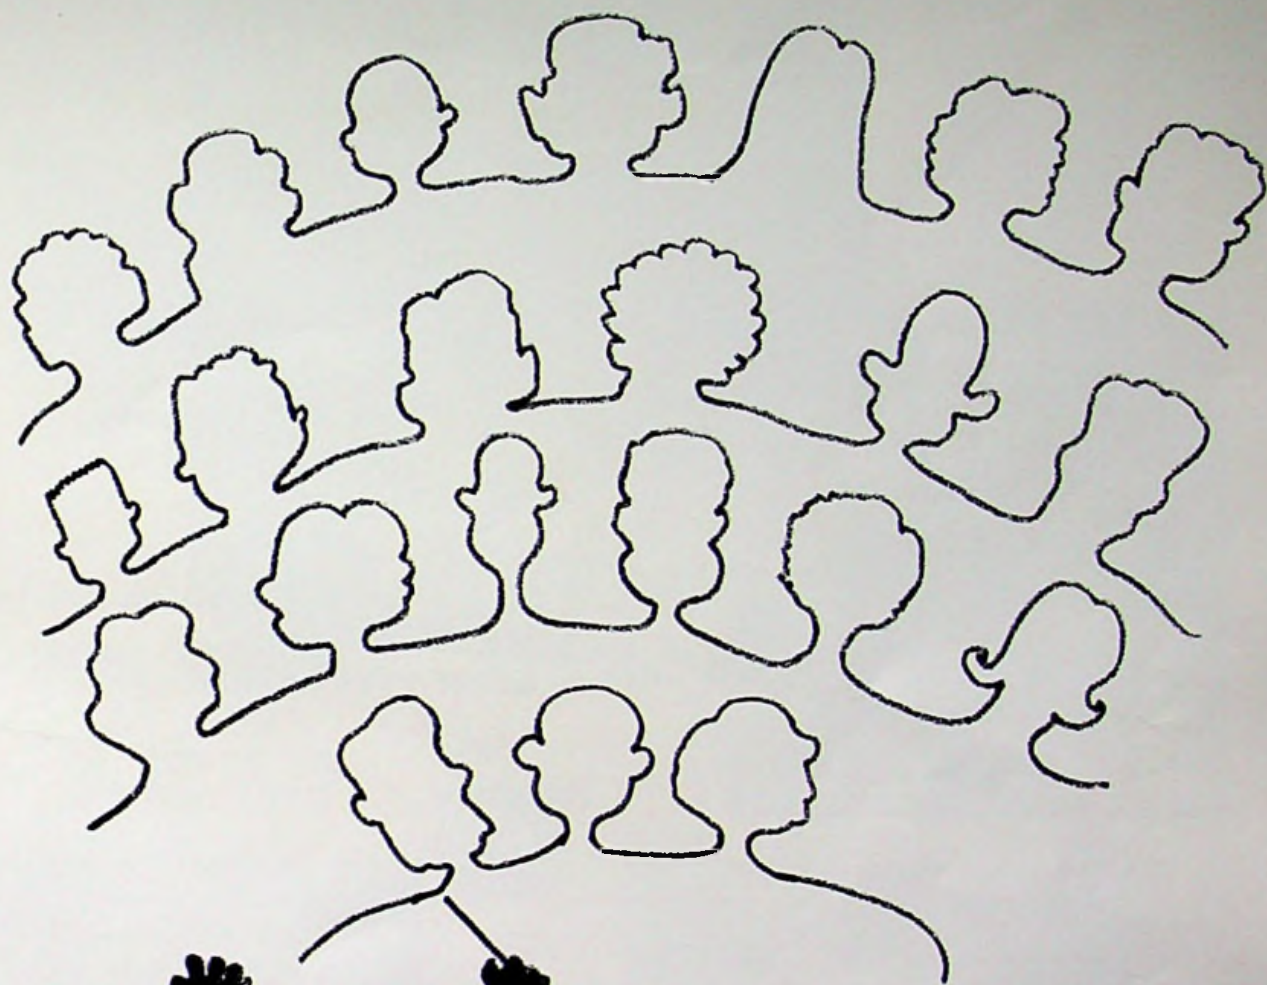

Mrs. Weaver

The 1972-72 WILDCAT COUNTRY is dedicated to three teachers who have left our school this year. They are Mrs. Campbell, Mr. Stamps, and Mrs. Weaver. They were known not only as teachers, but as friends to the students and faculty.

Mrs. Campbell was our art teacher and helped with artistic work in past yearbooks. Mr. Stamps had been a history teacher at Woodward Park since the school opened. He was also a track coach and strengthened our school spirit. He left us to become a cadet principal. Mrs. Weaver taught French and German for three years. In addition to her being a great teacher, she contributed many ideas to our yearbook as sponsor.

Missing all of them, we hope they remember us and Woodward Park as we remember them.

Candy Sale

Once again the students of Woodward Park exceeded the goal set for the Candy Sale by selling a grand total of \$16,635 worth of World's Finest Chocolates. The two morning homerooms selling the most candy were AS with \$761 and 201 selling \$660. In the afternoon, CNW came in first with \$822, and rooms 200 and CNE tied for second with \$478 each. The profits from this year's sale will be used for school improvements, but primarily for a better ventilation system which is needed.

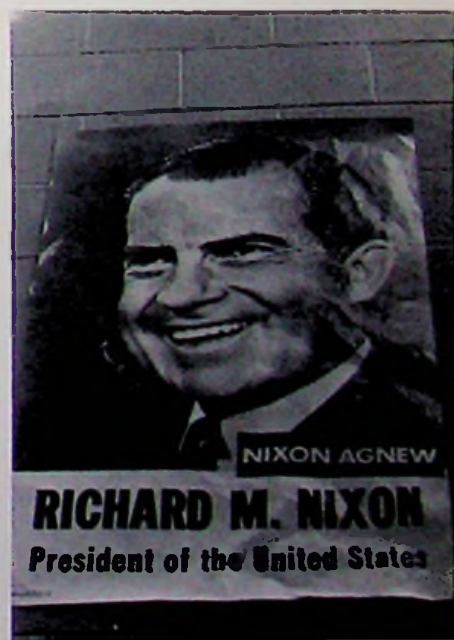

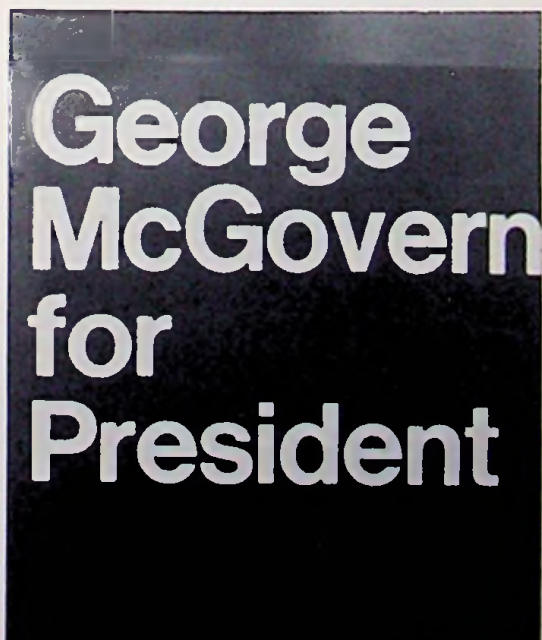

Presidential Election

Mr. Hinder's Humanities class presented a presidential campaign to the school this fall. Doug Meeks, Republican chairman, and Paul Carroll, Democratic chairman, organized their parties to make signs, pass out campaign literature, and, finally on election day, hold a school-wide election. President Nixon won by a majority.

NIGHT OF JANUARY 16TH is a murder trial without a pre-arranged verdict. The jurors were selected from the audience and witnessed the play as real jurors from the jury box on stage, bringing their verdict at the end of the last act. Mary Pardee (Karen Andre) stood on the edge of torment waiting for the jury's verdict of "guilty" or "not guilty".

AM Student Council

The Student Council was quite busy this year as in past years. They started off the year by helping to organize the candy sale which brought the school needed money for improvements. Also in the fall the council sponsored a dance which was well attended. Before Christmas the club sponsored two drives for needy families - the first was the shoe fund which went to needy children, and the second was the canned goods drive. During February and March council representatives collected and counted Carefree gum wrappers and cards for a radio contest. This spring Student Council was involved in "The Walk for Mankind". One project that cannot be overlooked was the popcorn sale almost every week, either between sessions or at basketball games.

The officers of Student Council were Chet Szczygiel, President; Shirley Emswiler, Vice-President; Bill Shepard, Treasurer; and Kris Frey, Secretary. Woodward Park is grateful to Mr. Lehman, Mrs. Dosky, Mr. Parish, and Mrs. Penrod for their help in organizing this Student Council.

Ski Club

A. M.

P. M.

Both the morning and afternoon Ski Clubs ski each Wednesday, weather permitting. Each session includes a half-hour lesson. Then, as abilities increase, skiers can move from beginning slopes to intermediate and finally to the more difficult slopes. Hearts are warmed by cold hands and ears!

Coin & Stamp Club

The boys in the Stamp and Coin Club, under the leadership of Mr. Budnarowski and Mr. Youtz, became familiar with both common and unusual stamps and coins. The members also improved their collections by trading with other members.

Athletic Leadership Club

The Athletic Leadership Club involved twenty boys under the direction of Mr. Diedalis. They helped in the operation of the Intramural Program and learned to organize and operate different types of tournaments for the various sports.

Craft Club

Mrs. Wallace and Mrs. Penrod supervised thirty girls in the Craft Club each month. Among items they made were Christmas ornaments and Santa Claus favors, burlap flowers, hodge podge with wooded plaques, egg carton wastebaskets and egg decorations.

Tennis Club

The Tennis Club was formed to develop interest in a life time sport and to give interested students an opportunity to play during the winter months.

Ensemble

Music filled the air when Mrs. Schirmer directed the boys and girls of Ensemble who gathered to sing just for fun.

F.T.A.

F. T. A. stands for Future Teachers of America who worked under the leadership of Mrs. Inis and Mrs. Grimshaw. The club presented the Christmas Angel (and Devil) program for teachers, gave a tea before Christmas, and helped teachers with bulletin boards.

Camera Club

Mrs. Jurrus, sponsor of the Camera Club, inspired students to take imaginative pictures and helped the members improve their photographic techniques.

Archery Club

The Archery Club, under the direction of Mr. Handley, promoted interest and skill in archery. The members practiced each week, and then held discussion groups during the club period.

Ecology Club

The Ecology Club has been instrumental in the planning and development of the school's Land-Nature Laboratory. Several field trips were taken including trips to Worthington Land Lab and Clean City, U. S. A. (a complete recycling plant).

Chess Club

Saturday mornings, when most of us were sleeping, the Chess Club met under the guidance of Mr. Vore. The boys learned to improve their skills in one of the world's finest games.

Bicycle Club

The Cycle Club consisted of members who were true cyclists. They took trips once a week, some of which were up to one hundred miles long. One of the trips in the fall was to raise money for charity, and the boys brought in almost \$100.

Cooking Club

The Cooking Club, under the leadership of Mrs. Martin, prepared meals during the afternoon club period, and then enjoyed sampling their wares.

Horseback Riding Club

Mrs. Whited and Mrs. Fluke directed approximately 45 students on horseback on Tuesday mornings when the weatherman cooperated. The members of this club improved their horsemanship through actual riding and also by seeing several films on riding.

Pep Club

The noisiest group of all was the Pep Club which cheered for Mr. Walters' Wildcat Basketball team. Under the direction of Mrs. Kaser and Miss Boivin and with help from the cheerleaders, these 100 students attired in blue and gold led the student body in cheers for the team.

Ping-Pong Club

Mr. King and Mrs. Clayton organized the Ping Pong Club this year to help members develop skill in the game, comradeship and cooperation, and above all, sportsmanship.

Skating Club

P. M.

A. M.

Skating proved to be a popular sport among both the morning and afternoon students. Mrs. Umeck directed the morning group and Mr. Snepp the afternoon group. The club members enjoyed skating at the U. S. A. Rink. In addition to learning better skating skills and proper skating etiquette, the members found good exercise and enjoyment.
